## INFORMATION ON THE 2010 CENSUS

### WHAT IS THE CENSUS?

The United States Constitution mandates a national count of everyone living in the country every 10 years, including persons of all ages, races, ethnic groups, citizens and immigrants. Every household will receive a census form in March 2010; the form should be completed and returned by April 1.

### IS MY INFORMATION PRIVATE?

Yes! By law, the Bureau cannot share personal information with anyone including police, landlords, immigration agents or the IRS.

### WHY IS IT IMPORTANT TO TAKE PART IN THE CENSUS?

Census data determine:

- How \$440 billion in federal funds are distributed every year to build schools, roads, hospitals, child care centers, senior centers and other services that help our families.
- How the seats in Congress and State Legislatures are distributed. Your count will ensure that our political strength as a community continues to grow.
